

EUROEM 2012

European Conference and Exhibition on Electromagnetics

2-6 July 2012 - Toulouse, France

CALL FOR EXHIBITORS

EUROEM 2012 will continue the EUROEM/AMEREM tradition of bringing together the:

- 18th High-Power Electromagnetics Conference (HPEM18)
- 11th Ultra-Wideband, Short-Pulse Electromagnetics Conference (UWB SP 11)
- 11th Unexploded Ordnance Detection and Range Remediation Conference (UXO 11)

We are pleased to invite you to the EUROEM 2012 Symposium. It provides a forum within the international scientific and engineering community in Electromagnetics.

Conference and Exhibition Location

The conference will be organized in Toulouse, by Onera, the French Aerospace Lab. Toulouse is the fourth largest city in France.

The Conference and the Exhibition will take place in Toulouse downtown at the Centre des Congrès Pierre Baudis.

General Information on the Exhibition

The exhibition area is located on the same floor as the main conference rooms.

Coffee breaks will take place in the Exhibition area.

The exhibition will take place from Tuesday, 3 to Friday, 6 noon.

NEW: each exhibitor will be allocated a five minute time slot during the exhibition session to showcase their products and services.

A short presentation of each exhibitor will be published in the EUROEM 2012 program based on a template provided after registration (deadline for publication is set to 5 March 2012).

A link to the exhibitor website and its logo will be available from EUROEM 2012 website.
